

Intercruiser 27 Cabin

With the Intercruiser 27 Cabin, Interboat refers to pure and genuine water sports fun. The classic lines are somewhere between a powerful sloop and a discreet cruiser. With the Intercruiser 27 Cabin, Interboat changes the sloop into a fully-fledged cabin sloop. The line is unmistakable. A classic sloop, of course, is traditionally steered behind the central aft steering position. Completely built by hand at our own Dutch yard with a 10-year hull warranty.

In the cabin there are two large beds and both a comfortable overnight stay. At the front in the bow, the closed separate laundry / toilet room is furnished. The U-seat behind is huge and offers a lot of fun around the skipper. Very clever, the centrally located galley with hob, sink, cupboard and table function.

With its beautiful sheer and classic lines, the Intercruiser 27 Cabin is a striking appearance. Stable and good manouvering. Small and economical diesel engines are perfect for inland waters. Those who prefer to sail fast can chose for the fast 170 hp. Water skiing and a top speed of 34 knots are then easily reachable. She is in overall, an all-rounder!
