

Intercruiser 29

The Intercruiser 29 is a cross between a sloop and a cruiser in design and execution. The CE category B certified seaworthy vessel is fully equipped as standard for day-long trekking far from home, has 4 fixed berths and 2 variable berths. The large cockpit with open galley offers a very comfortable seat for 10 people. A door in the transom connects the spacious bathing platform with the cockpit. Completely built by hand at our own Dutch yard with a 10-year hull warranty.

The clever design and build of the Intercruiser 2 offers a cross between a spacious sloop and a comfortable cruiser. CE category B certified she is fully equipped for extended cruising, with four fixed and two variable berths. A door in the transom joins the bathing platform with the large social cockpit with open galley, and generous seating for family and friends. The spacious wet room is complete with shower, sink and toilet. You can take more than enough luggage with you for longer trips in the large storage spaces. The interior is finished with a choice of teak, walnut or whitewash oak.

Characteristic of the Intercruiser 29 is the very large cockpit with galley suitable for 10 people. With this, the Intercruiser 29 refers to a sloop and is therefore also ideal for comfortable day trips with family and friends. The Intercruiser XNUMX features the traditional aft helm, familiar with a Dutch sloop, this gives a very social cockpit with seating for XNUMX, an upper galley and fridge. As finishing touch the door in the transom gives you a very good access to the swimming platform.
