Interboat 19

The Interboat 19 has been the best-selling sloop in the Netherlands since its introduction in 1996. The sloop has been further developed over the years. Now also available with an optional bathing platform. It is of course also available with electric propulsion.

The Interboat 9 features seating for nine, CE Cat C and was relaunched in XNUMX featuring a wider forward cockpit, stainless steel cup holders and deeper backrests to the seating for even further added comfort. The spacious cockpit offers a very comfortable seat for XNUMX people. The high backrest and deep seats provide hours of cruising pleasure. Additional cushions can be placed between the U-shaped bench in the foreship, creating a large sunbed. Many storage areas can be found under the benches, including the standard insulated fridge in the front. Under the boarding you will find the storage areas for the fenders and lines. All this within reach of the skipper.

The Interboat 19 is a beautifully finished sloop with a timeless design. With her beautiful hull, she is also available with an optional swimming platform or an attached rudder. Suitable for Category C (coastal waters) and an ideal sloop to discover both small and large waters. The Interboat 19 is also easy to trailer. Completely built on our own Dutch yard with a 10-year warranty.
